PARTNER

FRESHNESS FROM AUSTRIA

RINGANA – Where Freshness Meets Consciousness

RINGANA stands for far more than premium cosmetics and supplements – it's a philosophy. Since 1996, the company has united **freshness**, **sustainability**, and **innovation** into a holistic concept. Each product is freshly produced in small batches and completely free from artificial preservatives. That means by the time it reaches the customer, it's usually only 2–3 weeks old – a true mark of quality in a world full of long-shelved products. RINGANA consistently rejects animal testing and relies on 100% natural ingredients that respect people, animals, and the planet.

All products are developed by the RINGANA research team and meet the following criteria:

FRESH SKINCARE

SKINCARE SYSTEM

1

FRESH cleanser

CLEANSING MILK

The FRESH Cleanser gently and thoroughly removes dirt particles and makeup and is certified according to the COSMOS Organic and Natural Cosmetics Standard. Even during cleansing, it nourishes the skin and provides lasting hydration.

FRESH cleansing water

MICELLAR CLEANSING FLUID

Effortlessly remove impurities and excess shine, and enjoy a fresh, revitalized complexion. This gentle cleansing fluid is suitable for all skin types, especially young and oily skin. Microscopically small micelles make facial cleansing particularly effective.

2

FRESH tonic calm

SOOTHING FACIAL TONER

This gentle plant-based tonic has a harmonizing effect and is especially suitable for sensitive skin prone to redness and irritation. It supports the skin's natural pH balance and provides lasting hydration.

FRESH tonic pure

CLARIFYING FACIAL TONER

This high-quality tonic clarifies oily, blemish-prone skin while providing hydration. It helps regulate sebum production, reducing unwanted shine, and its valuable plant extracts offer antioxidant and toning benefits.

FRESH SKINCARE

SKINCARE SYSTEM

FRESH hydro serum

HYDRATING SERUM

Tired, dry skin? Say hello to FRESH Hydro Serum, our powerful moisture booster! Six types of hyaluronic acid ensure that hydration penetrates deep into every layer of the skin and is retained for long-lasting moisture. The unique formula with Job's Tears seed ferment filtrate also strengthens the skin barrier, soothes, and reduces redness.

FRESH anti wrinkle serum

ANTI WRINKLE SERUM

Highly concentrated with long-lasting effects: This revitalizing serum energizes the skin and smooths wrinkles over time by stimulating cell regeneration and renewal. Instantly, the skin appears more youthful and refreshed.

3

FRESH cream light

FACE CREAM FOR OILY SKIN

This lightweight moisturizer is specially designed for skin prone to shine and blemishes. It clarifies the complexion and promotes an even, balanced skin appearance.

FRESH cream medium

FACE CREAM FOR NORMAL TO COMBINATION SKIN

The smart formulation strengthens the skin's natural functions, making it more resilient while maintaining its natural balance.

FRESH cream rich

FACE CREAM FOR DRY SKIN

The rich, soothing texture nourishes and strengthens dry skin, providing intense hydration with plant-based oils. Tightness and irritation are visibly reduced.

4

TIP

SERUM BOOSTER

Mix it & love it: ADDS are made to pair perfectly with your serum.

The ADDS Glow and ADDS Effect can also be applied in targeted areas depending on your skin's needs.

✦ ADDS Glow is ideal for targeted treatment of pigment spots and acne scars, for a more even complexion.

✦ ADDS Effect can be applied in targeted areas to treat deeper wrinkles for an immediate tightening effect.

ADDS effect

EXPRESS LIFTING FOR A YOUTHFUL, POLISHED LOOK

Your instant skin-firming beauty secret? ADDS effect. Infused with advanced anti-wrinkle peptides and deeply hydrating hyaluronic acid, this formula delivers an instant tightening sensation and a noticeable Botox-like smoothness. Lines and wrinkles fade — leaving your skin supple, lifted, and beautifully refreshed. Discover how precisely balanced actives reveal a visibly younger YOU.

ADDS repair

INSTANT RELIEF FOR SENSITIVE OR IRRITATED SKIN

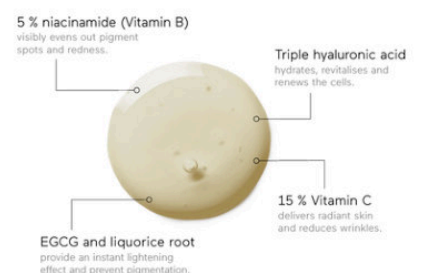

Soothes and clarifies the skin. Highly effective ingredients actively combat blemishes production. Treat your skin to the daily dose of calm and regeneration it truly deserves. Powerful active ingredients work to fight blemishes while balancing sebum production. Redness is visibly reduced.

ADDS glow

BEAUTY BOOSTER FOR FLAWLESS EVEN SKIN

Specifically formulated for uneven skin. The ADDS glow minimizes dark spots, melasma, and fine lines. High-dose Vitamin C and Niacinamide deliver a uniquely fresh, radiant complexion!

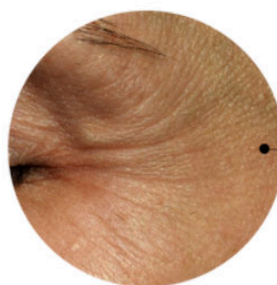

FRESH eye serum

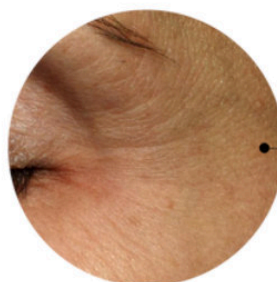

EYE SERUM

The skin around the eyes is especially thin and sensitive. Puffiness and dark circles often appear as signs of stress and fatigue. FRESH eye serum provides an immediate refreshing, de-puffing, and firming effect.

BEFORE

FRESH illuminating enzyme mask

FRUIT ENZYME PEELING

Two minutes and your face appears more awake, smoother, and more radiant. The cocktail of kiwi, papaya, and pineapple enzymes, plus PHA, offers a gentle enzymatic peel and effectively removes impurities and excess sebum from the skin's surface. At the same time, fine lines and wrinkles are diminished. Include the peeling in your evening routine one to two times a week for a visibly fresher complexion!

FRESH tinted moisturiser SPF 30

TINTED MOISTURE SPF 30 CARE

**Filter or Photoshop? No.
Just our tinted Moisturiser.**

The lightweight texture blends seamlessly into the skin, provides intense moisture, and, thanks to its subtle coverage, delivers a fresh, natural finish. Blemishes, pores, and redness are visually minimized – without a makeup look. With SPF 30, it protects your skin from UVA and UVB rays – gentle and safe. This tinted daily care combines hydration, color correction, and reliable UV protection – for a radiant, even complexion in everyday life. Your daily finish at a glance:

- ✓ Even-toned, fresh complexion
- ✓ moisture all day
- ✓ SPF 30 with mineral filter – without nanoparticles
- ✓ light coverage
- ✓ visually reduces pores and small blemishes

Application tip:

RINGANA recommends applying FRESH tinted moisturiser SPF 30 after the FRESH cream and blending evenly. For more coverage, apply selectively and gently pat in.

Tip: Using a sponge or brush, the finish is especially smooth—without rubbing.

FRESH skin perfection

REVOLUTIONARY RECOVERY CREAM

BEAUTY REVOLUTION. INNOVATION WONDER. GAME CHANGER.

Imagine your dream of perfect skin coming true. FRESH skin perfection is the most advanced definition of skincare, with a unique formula that delivers what others only promise: instant anti-aging power and perfect skin in just 30 minutes. This unprecedented special care is incomparable, the result of intensive skincare research. This is the moment your skincare becomes perfection. Try it and love it, again and again.

Express recovery for these skin concerns:

- ✓ Dry to very dry, stressed skin
- ✓ Wrinkles, lines and crow's feet
- ✓ Tired and puffy eyes
- ✓ Skin aging due to cellular exhaustion
- ✓ Facial redness and irritations
- ✓ Weakened skin barrier

What makes FRESH skin perfection unique:

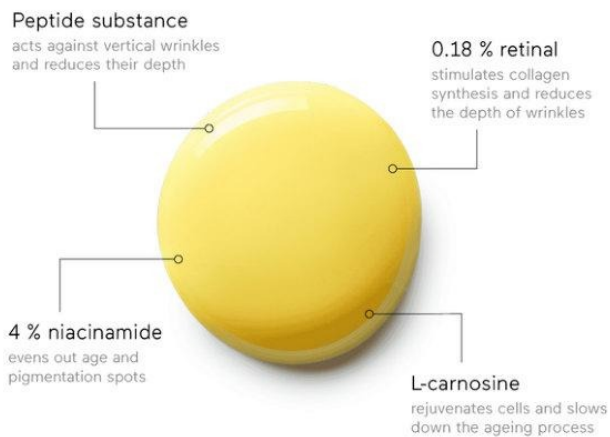

- ✓ potent, patented ingredients in scientifically based highest concentrations
- ✓ Maximum effectiveness through scientifically proven ingredient synergies
- ✓ Healthy aging: reduces problematic zombie-like cells for a vital cellular structure

FRESH overnight face treatment

INTENSIVE BETTER-AGING CREAM FOR THE FACE

The effective night care for the face, neck, and décolleté firms and smooths the complexion. Carefully selected, high-potency active ingredients stimulate the body's own collagen production and reduce the depth of horizontal and vertical wrinkles. Age and pigment spots are diminished. The result: a fresh, radiant complexion.

FRESH scrub face & body

PEELING FOR FACE & BODY

The stimulating FRESH scrub for face & body with exfoliating beads of raspberry, blueberry, apricot, and pomegranate removes dead skin cells and stimulates skin renewal. This allows the caring active ingredients to be absorbed particularly well by the skin, leaving it radiant and beautiful.

FRESH moisturiser for men

MOISTURE CARE FOR MEN

FRESH moisturiser for men gives the skin visible energy and firmness. The active ingredient complexes are tailored to the diverse needs of men's skin. The product has strong antioxidant properties, protects against environmental influences, and has a balancing effect. Imperfections and irritations are reduced. The skin looks instantly smoother and fresher. The pleasantly light texture absorbs quickly into the skin.

Lip balm

FRESH Tinted balm lip & cheek rosewood

LIP BALM AND BLUSH

Tinted Balm Lip & Cheek Rosewood is your 2-in-1 beauty essential:

It gives lips and cheeks a fresh splash of color, provides long-lasting moisture, and delivers a natural glow. The creamy texture melts softly on the skin, feels pleasantly light, and leaves a velvety finish.

FRESH lip balm plump

YOUR SHORTCUT TO VOLUMINOUS LIPS.

FRESH lip balm plump is your secret for instantly visible results and long-term care.

Right after application you'll feel a slight tingling – completely normal and a safe sign that the plumping effect is starting to work. The smart active ingredient combo stimulates microcirculation, making your lips appear visibly fuller. At the same time, the formula supports the skin's own production of collagen and hyaluronic acid – for more volume and youthful freshness with every use. Fine lines? They look smoothed. Rough spots? They disappear. Leaves you with velvety, smooth lips that are intensely moisturized. And the best part: with regular use, the effect becomes not only more noticeable but also more lasting. Lip care that delights immediately – and convinces in the long run.

FRESH lip balm classic

CLASSIC CARE, TIMELESS LIPS.

FRESH Lip Balm Classic melts butter-soft onto your lips and envelops them in intensive moisturising care.

Nourishing ingredients repair tiny cracks, soothe, and leave a velvety-soft feeling – for lips that feel pampered and smooth.

FRESH SUN PROTECTION

Sun? Bring it on!

FRESH sunscreen face

SUN CARE FOR THE FACE WITH SPF 30

Sunscreen without sun protection? No way! With FRESH Sunscreen Face SPF 30 you're on the safe side. The natural filter zinc oxide reliably protects your sensitive facial skin from UVA and UVB rays. The formula absorbs in a flash without feeling greasy, and it leaves a matte, even finish. The product nourishes and soothes your skin. At the same time, it effectively counteracts sun-induced redness. Your daily sun protection for every ray of sun. So you can enjoy the sun relaxed, without constantly worrying about skin damage

FRESH sunscreen

MODERATE SUN PROTECTION WITH SPF 25

Protects your skin from the sun's harmful rays. The clever formula combines a mineral UV filter with nourishing plant oils and plant extracts. The result: a radiant complexion, just the way you love. Ideal for all skin types and, of course, dermatologically tested.

FRESH after sun & tan booster

TANNING CARE

As an after-sun cream, it provides your sun-kissed skin with plenty of moisture and calms it. A special sugar component helps to emphasize and extend the natural tan.

FRESH baby sunscreen SPF 50

HIGH SUN PROTECTION FOR BABIES & CHILDREN

Baby and child skin is very delicate. Therefore, sun protection with SPF 50 is particularly important. Our innovative formula relies on mineral filters that effectively protect against harmful UV rays. Plant oils and plant extracts of pharmaceutical quality gently care for the skin and provide plenty of moisture.

Dermatologically tested and rated as very good, naturally. Suitable for babies from 0 months, children, and adults.

FRESH BODY CARE

FRESH deodorant

DEO CREAM

The FRESH deodorant is a highly effective creamy-white moisturizing water-in-oil emulsion. It protects against unwanted odor without aluminum salts and supports the skin's natural sweat-regulating function.

FRESH foot balm

FOOT BALM

It moisturizes and regenerates heavily stressed, tired, and dry feet. The innovative formula effectively prevents rough heels and foot odor with natural active ingredients. Essential oils provide a fragrant pampering experience. Intensively nourishing plant oils nourish the skin and impart suppleness.

FRESH hand balm

HAND BALM

Regenerates the skin and may reduce the formation of pigment spots. Hands that are stressed are sustainably supplied with care ingredients and feel soft and smooth again. The light hand balm absorbs quickly without leaving a greasy film.

FRESH BODY CARE

FRESH body milk light

LIGHT BODY MILK

Care that keeps up with your pace: FRESH body milk light absorbs before you know it – and lasts long, even after you’ve forgotten it. Ultra-light, no residue, perfect for warm days and sensitive skin. High-performing ingredients from the face-care world deeply moisturize, strengthen the skin’s barrier, and leave it regenerated and super-soft. Macadamia nut oil, shea butter, and oat oil add the extra care factor – without greasing. High-performance, zero compromises – for those who love skincare but have no time for sticky body lotions.

FRESH body milk rich

RICH BODY MILK

The answer, when your skin longs for more? FRESH body milk rich! It provides intensive, long-lasting moisture, strengthens the skin barrier, and soothes even very dry or sensitive skin. With rich active ingredients from the face-care world, the skin is deeply nourished, regenerates, and feels noticeably supple. High-quality plant oils pamper with silky softness, while Sodium PCA draws in, stores, and effectively prevents drying out.

Body & Hair care routine

MICROBIOME-FRIENDLY

FRESH hair treatment

4-IN-1 PERFORMANCE HAIR BALM

Whether on wet or dry hair, as a mask or as a quick treatment between washes, FRESH hair treatment leaves hair perfectly cared for and shiny. Natural ingredients replenish oils in stressed hair and add an antistatic effect, so hair is easier to comb and style.

FRESH soap

Hand-harvested, cut, stamped, and manually wrapped in a towel. When used, it forms a cleansing foam with a delicate scent. Thanks to the intelligent formulation, the soap is also perfectly suitable for frequent use.

FRESH body wash

MICROBIOME-FRIENDLY SHOWER GEL

A small amount of FRESH body wash—lathered with enough water—cleanses the skin gently and thoroughly. The balanced formula hydrates and refreshes the skin. The included NBC7 complex strengthens the skin barrier and contributes to balanced, soothed skin.

Hair care routine

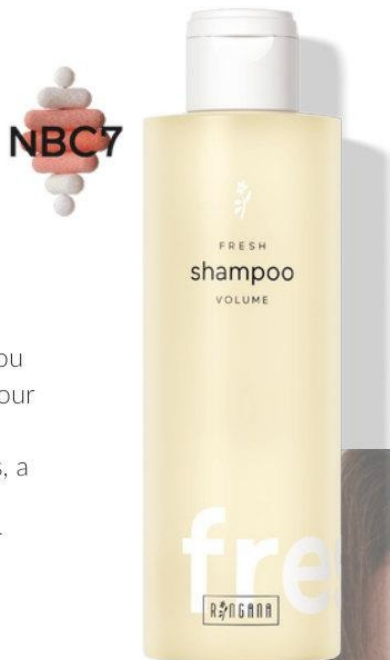

MICROBIOME-FRIENDLY

FRESH repair shampoo

SHAMPOO FOR DAMAGED HAIR

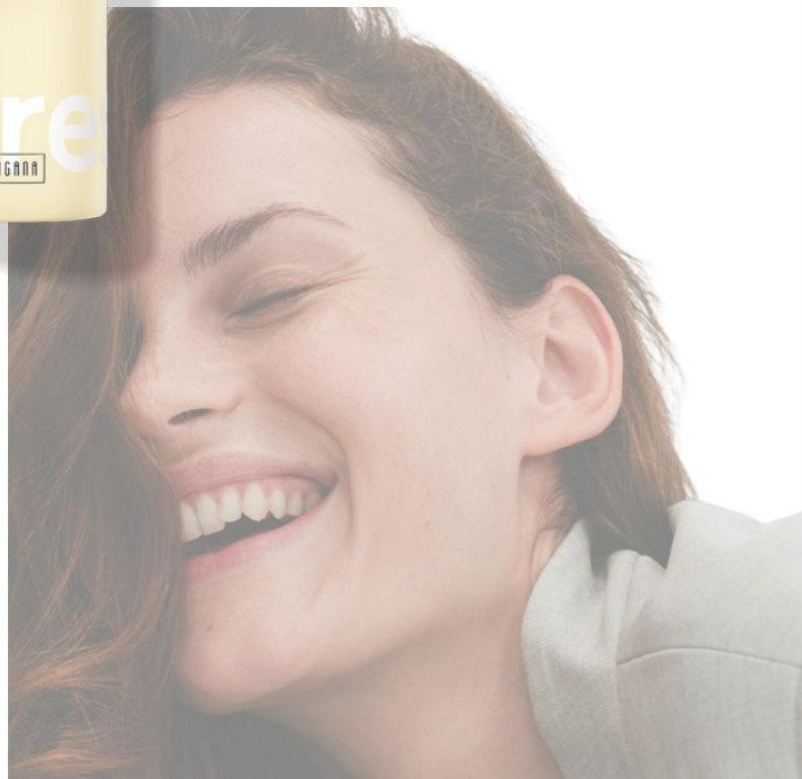

FRESH repair shampoo is the perfect solution for stressed, colored, or dry hair. Its formula, enriched with vegan proteins, a mushroom extract complex, and fermented rice water, strengthens and repairs your hair from within. Enjoy the added anti-frizz effect for soft, resilient hair that shines with health.

FRESH volume shampoo

SHAMPOO FOR MORE VOLUME

You want more power for your hair? You got it! FRESH volume shampoo gives your hair an extra boost of volume. The formula, featuring potent plant extracts, a mushroom extract complex, and fermented rice water, strengthens your hair and adds fullness and bounce. It leaves your hair looking like it's freshly styled by a professional.

FRESH SHOWER EXPERIENCE

MICROBIOME-FRIENDLY

FRESH soap liquid

MICROBIOME-FRIENDLY LIQUID SOAP

The liquid soap with a skin-friendly pH value cleanses gently yet thoroughly without drying out the skin. It has a nourishing effect and leaves the skin feeling pleasantly cared for.

FRESH stay fresh

1 MICROBIOME-FRIENDLY CLEANSING FOAM

FRESH stay fresh is the eco-friendly alternative to wet toilet paper. The nurturing foam for your sensitive areas relies on natural ingredients and transforms any toilet paper into moist toilet paper. Ideal for the skin flora in the intimate area.

FRESH BABY & KIDS

ONLY THE BEST FOR OUR LITTLE ONES

FRESH baby cream

BABY CARE CREAM FOR SENSITIVE SKIN

Sensitive baby and children's skin tends to be prone to dryness and irritation and therefore requires special care. Specifically developed for the needs of delicate baby and toddler skin, we created FRESH baby cream. It combines gentle plant extracts and oils that soothe the skin and provide intense hydration. FRESH baby cream can be used safely from the very first day.

FRESH baby body & hair wash

2 IN 1 BABY WASH & SHAMPOO

Gentle cleansing from head to toe, and all without tears—no problem with FRESH baby body & hair wash. This mild cleansing gel gently cleans delicate baby skin and the very first hairs with especially gentle surfactants. FRESH baby body & hair wash pampers your little one's skin with nurturing and lipid-replenishing ingredients, protecting it from drying out. Nourishing oils also help make hair easier to comb.

FRESH BABY & KIDS

FRESH baby bum cream

SOOTHING DIAPER & PROTECTIVE HEALING CREAM

FRESH baby bum cream reliably protects sensitive baby skin in the diaper area: It soothes irritated and reddened skin and helps prevent diaper rash. The calming diaper cream strengthens the skin barrier and forms a breathable protective film on the skin from natural, high-quality plant oils. FRESH baby bum cream can be used preventively after every diaper change.

FRESH baby bum foam

BABY CLEANSING FOAM

FRESH baby bum foam – the eco-friendly alternative to wet wipes! The innovative FRESH baby bum foam gently and thoroughly cleanses the sensitive baby skin in the diaper area. Soothing ingredients like witch hazel and cotton extract effectively care for delicate skin.

FRESH BABY & KIDS

SILVER

FRESH baby oil

BABY CARE AND MASSAGE OIL

Baby skin can easily dry out and tends to lack moisture. FRESH baby oil serves as a multifunctional care and massage oil with replenishing and nourishing properties. It cares for dry skin, strengthens the skin barrier, and can be used for daily skin care, baby massage, and gentle cleansing.

FRESH baby tooth gel

CARE FOR BABY AND CHILDREN'S TEETH

Our child-friendly tooth gel, formulated with carefully selected ingredients, is the perfect companion to gently and effectively care for your baby's first teeth. The sweet, minty flavor, popular among children, makes brushing a joy. Thanks to the innovative pump dispenser, brushing becomes child's play—ideal for little hands learning to manage their dental care routine independently. Free from dyes, artificial flavors, and surfactants, our FRESH baby tooth gel provides a safe and gentle start to a healthy, radiant smile.

RINGANA baby beach poncho

BIO-COTTON PONCHO FOR CHILDREN

The muslin fabric is made from 100% organic, GOTS-certified cotton. Dimensions: 55 x 60 cm.
Age: 1-5 years.

THE MOST NATURAL SUPPLEMENTS IN THE WORLD

The ABCs of Nutrition

FRESH pack antiox

VITAMIN BOOSTER

FRESH Pack Antiox delivers a powerful boost from freeze-dried superfruits. With both water- and fat-soluble antioxidants, it supports the body's natural defenses and protects cells from free radicals. In our modern, fast-paced lives, the immune system is constantly challenged.

CAPS immu

IMMUN SYSTEM

CAPS Immu combines a variety of vital mushrooms with natural micronutrients to strengthen the body's immune system.

FRESH pack balancing

GET IN BALANCE

FRESH PACK BALANCING helps maintain a balanced acid-base environment with targeted zinc support. Zinc is an essential mineral that contributes to normal acid-base metabolism. Spinach, broccoli, carrot, and alfalfa grass powder give the mild green shake a delicate vegetable note. A carefully selected complex of highly bioavailable vitamins and minerals ensures a balanced nutrient profile.

Get in Balance.

Boost Your Body's Defenses

BEYOND biotic

HAPPY GUT. HAPPY LIFE.

BEYOND BIOTIC provides active wellbeing support through functional microorganisms such as lactobacilli and bifidobacteria strains. Probiotics contain living bacteria that survive the stomach and become active in the intestine. Each daily serving contains over 21 billion living, scientifically tested microorganisms that work directly in the body.

FRESH pack cleansing

DIGESTION

Dietary fiber is essential for a well-functioning digestive system. FRESH Pack Cleansing is rich in fiber and calcium, supporting the activity of digestive enzymes. It also provides essential vitamins and minerals. Selected superfruits give this shake its mild, fruity taste.

CAPS d-gest

GOOD GUT VIBES

A hearty meal or a glass of wine can sometimes upset your digestion and your mood. When the digestive system and liver are overworked, even good spirits can fade. CAPS D-Gest is your upgrade for inner wellbeing. A refined enzyme complex derived from fermentation helps break down even hard-to-digest foods. Artichoke extract supports digestion and detoxification, while milk thistle phospholipid provides the liver with vital support. The result: less discomfort and more smiles every day.

CAPS cerebro

MENTAL FITNESS

Feeling foggy? Having trouble concentrating? Finding it hard to remember things? CAPS cerebro can help. Extracts from grapes, blueberries, and rhodiola bring fresh energy to your mind. Citicoline sharpens your senses. A patented sage complex noticeably boosts your memory. Our formula helps keep your mind clear—every single day.

Fresh light legs

FRESH BOOST FOR TIRED LEGS

FRESH Light Legs is the perfect refreshment after sports, long trips, or extended hikes. Simply spray it onto your legs, ankles, and feet, and enjoy the revitalizing sensation. The natural power of plant extracts delivers an instant feeling of vitality and lightness.

CAPS protect

INNER ARMOR

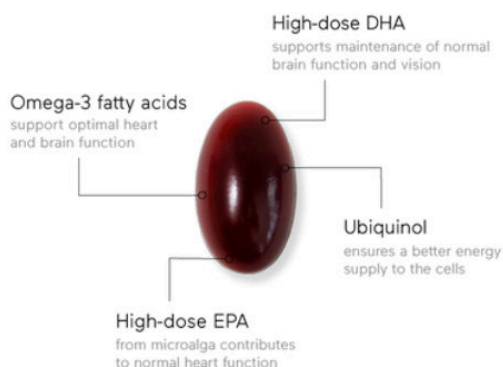

CAPS Protect helps your body build an internal shield to defend itself against external environmental stressors such as light pollution, sun exposure, and blue light—offering optimal protection all year round. Antioxidant ingredients from blood orange extract promote an even, radiant tan, while blueberry extract supports healthy eyes.

BEYOND omega

LIFE ESSENTIALS

The revolutionary formula in BEYOND Omega provides high-quality omega-3 fatty acids, fat-soluble vitamins, and valuable phytonutrients. These vegan capsules are the ultimate daily companions for a healthy lifestyle—and an essential addition to every household

CAPS hydro

HEALTHY BLADDER

CAPS Hydro, featuring niacin from buckwheat sprout powder, helps maintain healthy mucous membranes—including those of the urinary tract. Vitamin D3 derived from algae supports the body's natural immune system.

CAPS moodoo

SERENITY

A unique blend of plant extracts and essential nutrients promotes emotional balance and helps reduce fatigue. Make CAPS Moodoo your daily companion for wellbeing. Perfect for combating autumn melancholy, winter blues, or PMS.

RINGANAisi

SLOW-DOWN DRINK

RINGANA isi is a little relaxation drink packed with plant-based ingredients that help you unwind and fall asleep more easily. This smart mix of passionflower, lemon balm, sour cherry, green oat, and ashwagandha root extract is known for its soothing properties.

Slow down.

RINGANAdea

LIGHTWEIGHT

Zinc supports normal macronutrient, carbohydrate, and fatty acid metabolism. Vitamin C derived from rosehip, hibiscus, and prickly pear boosts natural collagen production for healthy skin. Mate leaf extract provides an invigorating lift for both body and mind, while lemon balm leaf extract supports the circulatory system. Enzymatically fermented guar fiber adds a valuable source of soluble dietary fiber.

RINGANAchi

ENERGIZER

The caffeine-enriched energy drink RINGANA chi offers a refreshingly fruity and subtly spicy taste with bioactive plant compounds that keep you alert. This fruit-juice-based booster is the perfect coffee alternative for those low-energy moments—like the afternoon slump. Vitamin C from acerola fruit powder awakens your natural energy and helps reduce tiredness and fatigue.

RINGANAbty

BEAUTY DRINK

What if beauty didn't just work—but tasted amazing too? This fruity-fresh beauty drink with mandarin, orange, and sea buckthorn makes your skin glow from within. A true glow booster that supports collagen production, helps regenerate the skin, and adds visible plumpness. Bring the highlight of your beauty routine straight to your glass!

What makes RINGANA bty unique:

- Vegan collagen boost thanks to VeCollal®
- Rich in omega fatty acids – from Omega™
- Plant-based hyaluronic acid – through Greenluronic®
- Clinically studied active ingredients
- Deliciously fruity taste

DRINK YOUR SKIN CARE

STUDY RESULTS

1. 72% reported that their expectations were exceeded.
2. 47% noticed visible improvement in their skin.
3. On average, participants felt their appearance looked 9.4 months younger after just 2 months.
4. Significantly smoother skin after 2 months.
5. Reduction in wrinkle surface area and depth after only 1 month.
6. Highly significant decrease in the intensity and area of UV spots after one month.

BEYOND spermidine

AGELESS EFFECT

With BEYOND Spermidine, we've developed a healthy-aging product that supports the body's natural cellular cleansing process—helping remove defective or unhealthy cells while promoting cell growth and regeneration. Spermidine, PQQ, fucoïdan, and other powerful antioxidants form the foundation of this advanced active ingredient complex that effectively counters the visible signs of aging..

CAPS move

MOBILITY

The joints in the human body function like hinges. When we care for and protect them, they reward us with ease of movement in everyday life. CAPS Move was specially developed to support the body's natural processes. Carefully selected ingredients help maintain bone and muscle function while promoting overall mobility and flexibility.

COMPLETE d-eat

NUTRITION SHAKE WITH JUST 200 KCAL

COMPLETE d-eat is your vegan all-in-one meal! Quick to prepare, it provides all essential vitamins, minerals, and nutrients—while being low in calories. Replace two meals a day to lose weight, or one to maintain your weight. It's the smart choice when you're short on time or on the go. Its mild taste is delicious on its own and easy to customize. Each box contains 14 sachets.

Organic pea and rice protein

with all essential amino acids, is a vegan protein source with high bioavailability

Sunflower seeds & linseed

are rich in valuable minerals and support metabolism

Guar seed and citrus fibre provide roughage that ensures you stay feeling satisfied for longer, and supports digestion

CAPS fem

WOMEN'S ESSENTIALS

CAPS Fem supports women in every phase of life with the power of nature—helping mothers, grandmothers, businesswomen, and all-round powerhouses continue achieving great things. Shatavari root extract is a true multitasker for women's wellbeing: it promotes comfort during menopause, naturally supports menstrual cycle balance, and helps reduce tiredness and fatigue.

CAPS beauty & hair

BEAUTY FROM WITHIN

A refreshed complexion, full hair, firm connective tissue, and resilient nails—CAPS Beauty & Hair delivers natural nutrients that enhance beauty from within.

CAPS mascu

3-IN-1-VITALITY FOR MEN

CAPS Mascu helps maintain a normal testosterone level in the blood. Zinc also plays a vital role in supporting normal fertility and reproductive health, making it an important factor for overall male wellbeing. In addition, vitamin C from acerola is a key component in this formula, supporting both mental function and the nervous system.

SPORT

SUPPORT AND MAXIMIZE YOUR FITNESS GOALS

SPORT push

RADICAL PERFORMANCE

Faster, stronger, further – with SPORT Push, you'll take your performance to the next level. The smart combination of caffeine, ginseng, and galangal root extract boosts focus and concentration, while magnesium supports your muscles. The secret weapon for intense workouts – perfect before or even during training for that extra push over the final stretch. Ready. Set. Go.

SPORT endurance

ISOTONIC THIRST-QUENCHER

SPORT Endurance is an isotonic thirst-quencher. Its advanced carbohydrate-electrolyte blend improves fluid absorption during exercise, making it the perfect partner for endurance and high-intensity training. Refreshing, fruity, and lightly salty with a subtle tang – all without artificial additives, for pure bioactive energy. Whether before or during your workout, this isotonic drink gives your body exactly what it needs for peak performance, helping you go beyond the finish line.

SPORT protein

VEGAN PROTEIN POWER

SPORT Protein delivers an impressive 27 grams of protein per sachet. Enriched with Bacillus coagulans, a probiotic that supports protein digestion, it ensures optimal absorption by the body. This formula includes all 20 protein-building amino acids essential for maintaining and developing muscle mass, providing ideal bioavailability. Whether you're focused on muscle gain, endurance, or body shaping, SPORT Protein is your go-to support for peak performance. Proteins help preserve and build muscle, while natural vitamins and minerals aid your energy metabolism.
